MD SHAHIN ALAM

Hub & Sort Operations Professional | Courier, Last-Mile & 3PL Logistics

Dhaka, Bangladesh | +880 1772222668 | shahin4l.bd@gmail.com | linkedin.com/in/shahin4l

Available to relocate to Ireland | Employment permit sponsorship required

PROFESSIONAL SUMMARY

Results-driven Operations professional with 8+ years of professional experience, including 7+ years in courier, sorting center and last-mile logistics. Led teams of up to 190+ personnel across 11 operational functions and managed zonal hub operations processing 220,000+ parcels daily at 97%+ SLA compliance. Delivered a 40% reduction in turnaround time (TAT) and a 80% reduction in sorting and handling errors by redesigning end-to-end process flows, developing SOPs and moving manual processes to semi-automated workflows. Strong in Lean methodologies, bottleneck elimination, rider and fleet coordination and data-driven improvement. Holds a PGD in Logistics & Supply Chain Management and a BSc in Electrical & Electronic Engineering, adding strength in automation and technology-driven logistics.

CAREER HIGHLIGHTS

- Managed zonal hub operations processing 220,000+ parcels per day with 180+ staff (Pathao), at 97%+ SLA and SOP compliance.
- Lead 190+ staff across 11 operational functions and 70,000+ daily parcels, plus regional Sub-Sort sites in 5 locations (Carrybee).
- Reduced turnaround time by 40% and sorting/handling errors by 80% through process redesign and semi-automation.
- Progressed from Operations Associate to Assistant Manager across two leading courier operations in Bangladesh.

CORE COMPETENCIES

Courier & Hub Operations: Last-Mile Delivery, Hub & Sort Operations, Dispatch Planning, Sort-facility Routing, Rider & Fleet Coordination, Returns Management, Multi-site Regional Operations.

Process Excellence: SOP Development, Process Flow Design, SLA & SOP Compliance, Lean Methodologies, Bottleneck Analysis, Capacity Planning, TAT Optimization.

Data & Technical: Data Analysis & Reporting, Process Documentation, Barcode/QR Systems, CCTV-based Monitoring, PLC Automation, AutoCAD (Electrical).

Leadership: Leading Team Leads & Supervisors, Recruitment & Onboarding, Training, Conflict Resolution, High-Volume Scaling.

PROFESSIONAL EXPERIENCE

Assistant Manager – Operations *Jan 2026 – Present*

Carrybee Express Ltd., Dhaka, Bangladesh – courier and e-commerce logistics company, a concern of US-Bangla Airlines.

- Lead 190+ staff through team leads across 11 operational functions: Sort, Central Inbound, Central Pickup, Central Return, Return Parcel Validation, Investigation & Reconciliation, Issue Resolution, Reprocessing & Resolution, Data Entry, Inventory Management and Sub-Sort.
- Oversee Sub-Sort operations at 5 regional locations outside Dhaka (Bhanga, Sirajganj, Cumilla, Bhairab, Chattogram).
- Oversee daily workflows handling 70,000+ parcels, enforcing operational controls to meet corporate targets and service quality standards.
- Reduced turnaround time (TAT) by 40% by moving key processes from manual to semi-automated workflows: the put-to-number (PTN) process, gate-pass printing in two clicks, automated return validation with auto task assignment, AI-assisted data entry, and upload no-entry order images on time to notify merchants promptly; brought dispatch forward from 6:00 AM to 3:00 AM.
- Reduced sorting and handling errors by 80%: replaced manual counting with a CCTV-verified basket process, added name plates with reflective stickers and floor taping to prevent wrong routing, set handling guidelines for liquid and fragile merchant items and designed protective boxes for TVs.
- Reduced operating cost by 15% through manpower optimization, stronger item control and an Order Management System (OMS) app solution that reduced device requirements.

Senior Executive – Operations *Nov 2024 – Dec 2025*

Carrybee Express Ltd., Dhaka, Bangladesh

- Analyzed operational bottlenecks and implemented data-driven solutions to improve cross-departmental processing workflows.
- Managed new project initiatives from planning through field execution, aligning timelines with executive KPIs.
- Directed recruitment, resource sourcing and onboarding to scale workforce capacity during peak e-commerce seasons.

Senior Operations Associate *Jun 2023 – Oct 2024*

Pathao Ltd. (Courier Operations), Dhaka, Bangladesh – leading multi-service technology platform in Bangladesh, incl. courier and logistics

- Supervised 180+ employees and managed zonal hub operations processing 220,000+ parcels daily.

- Managed rider networks, fleet allocation and delivery dispatch, maintaining 97%+ SLA and SOP compliance across the territory.
- Streamlined sort-facility routing, return-parcel logging and inventory control to reduce processing errors.
- Coordinated cross-functional process discovery initiatives to improve turnaround time and reduce delivery friction for customers.

Operations Associate *Sep 2019 – May 2023*

Pathao Ltd. (Courier Operations), Dhaka, Bangladesh

- Coordinated inbound team movements, parcel dispatch schedules, workflow documentation and operational data logging.
- Maintained zone-level service consistency by monitoring automated sorting pipelines and auditing physical inventory.

Service Engineer *Aug 2017 – Apr 2018*

Concrete Technology, Dhaka, Bangladesh

- Handled installation, configuration and preventive maintenance of batching plant machinery.
- Programmed and integrated PLC networks to automate industrial processes.

Earlier experience: Office Assistant, International Human Rights (ASHOK) Foundation, Oct 2018 – Feb 2019 – prepared legal documents and press correspondence, managed the Facebook page and produced design and photo edits in Adobe Photoshop. Self-employed e-commerce business – Mar 2019 – Aug 2019.
